Farm Bureau To Discuss Water Rates

William Knecht, representing the public utilities department of the California Farm Bureau Federation, will speak to the area Farm Bureau members tonight at the Del Amo School, 1825 E. 213th St. Knecht, who is currently participating in the hearings before the Public Utilities Commission on the Dominguez Water Co. request for rate increases, will speak on irrigation water rates at the 7:30 meeting this evening, according to Noboru Nakatani, chairman of the South Vegetable Center of the County Farm Bureau.

Rev. William K. Schatz, pastor of the Seaside Community Church, will have as his sermon topic, "Christ and the Family," at the Sunday worship services at 10 a.m. Sunday School convenes at 9 a.m.

"ATOMS IN ACTION" . . . an exhibit of the United States Atomic Energy Commission, will be displayed in Physics 7 at El Camino College Oct. 25-31. Interested spectators above study the model of the N.S. Savannah, the nation's first nuclear-propelled merchant ship.

The United Amateur Radio Club will meet at the Wilmington Field House at 8 p.m. Friday, it was reported here yesterday.

AEC's 'Atoms in Action' Exhibit Due at El Camino

El Camino College department of physical sciences will sponsor the exhibition of the Atomic Energy Commission's display exhibit "Atoms in Action" on the college campus from Oct. 25 to 31. "Atoms in Action" consists of panels and models designed to explain many of the uses of atomic energy in a graphic, easy-to-understand manner. The free exhibit, to which the public is invited, explains the techniques of atomic fission—the splitting of atoms—and the use of radioactive materials in agriculture, medicine, and industry. Other exhibits include a three-foot model of the N.S. Savannah, the nation's first nuclear-propelled merchant ship, and an animated model of an atomic power plant. From Oct. 25-28 and on Oct. 31, the exhibit may be viewed by the public from 9 a.m. until 9 p.m. in room 7 in the Physics Building. The exhibit will be open from 10 a.m. to 3 p.m. Saturday, Oct. 29, and from 2 to 5 p.m. Sunday, Oct. 30.

Five Teenagers From YM Plan Study Sessions

Five teenagers from the Torrance YMCA will meet with 500 other students Saturday at Occidental College for the initial training session of the 1961 YMCA Model Legislature, which will be held in Sacramento next February. The high school boys and girls will elect officers and receive advice from adult experts on how to go about developing legislation they must write in preparation for the citizenship training event.

OFFICERS to be elected by the would-be politicians representing about 60 Southern California YMCAs are Lieutenant Governor, Secretary of State, Assembly Speaker, Pre-Tem, Assembly Chief Clerk, Assembly Chaplain, and Senate Sergeant-at-Arms.

The Youth Governor and the rest of the officers will be elected by Northern California students during another training meeting at Stanford University, Oct. 29.

GEORGE KURTZ, Attorney and chairman of the local Youth and Government Committee, said this is the fifth year the Torrance Y has participated in the annual youth legislature.

"For three days in Sacramento the youths will learn about state government by making it work for themselves as officers, senators, assemblymen, clerks, newspaper reporters, and lobbyists," he said.

"IN THE meantime, each interested student will prepare for the event by studying and by writing a legislative bill. One of these will be selected as the Torrance delegation's bill and the young people will attempt to get it passed by both houses and signed by the Youth Governor during the Sacramento session," he explained.
